

A new website will soon be online!

Korweinguboorra.com

This exciting project is being developed for Korweinguboorra to provide our town with an online presence to promote our businesses, community groups, history and activities on the "World Wide Web". Register now and put your information out there so that the whole world knows about you.

This project is supported by the Moorabool Shire Council and funded by the Macpherson Smith Community Alliance, which is a partnership between the Helen Macpherson Smith Trust and Regional Development Victoria. Registration is FREE for the first 12 months with no obligation to continue after the first 12 months! So what are you waiting for? Get involved in this exciting opportunity.

Moorabool Communities & Technology Project (CAT Project)

(Directory Registration – Continued Overleaf)

Korweinguboorra.com

- Publish your business or community groups details
- Promote local events and community meetings
 - Create a 3 to 10 page website

The community facilitator for the CAT project is Sally Goldstraw. For further information contact Sally Goldstraw after hours on ph0407988010 or email Gold10@bigpond.net.au, or you can contact Craig Briody (CECC) during business hours on ph(03) 53279319 or email c.briody@ballarat.edu.au.

Registration forms can be brought along to the first training night, which has been scheduled for the Thursday the 1st of February, or you can post your completed forms to:

**The Centre for Ecommerce and Communications (CECC), Suite 8
Greenhill Enterprise Centre, University Drive Mt Helen 3350**

Or you can drop them off at the Ballan Community House (rear of Mechanics Institute)
